

19 Days of Prayer: Day 1
Tuesday, March 24, 2020

“I write these things to you who believe in the name of the Son of God, so that you may know that you have eternal life. And this is the boldness we have in him, that if we ask anything according to his will, he hears us. And if we know that he hears us in whatever we ask, we know that we have obtained the requests made of him.” 1 John 5:13-15:

A Prayer from the Sudan Inland Mission:

“Heavenly Father, we pray for you to intervene to stop the spread of the coronavirus. We pray in Jesus’ name the virus would recede and diminish from this day forward, and that the numbers of those infected would decline rapidly. We trust you, Lord, to intervene today with your loving care.”

As individuals and as a family:

Take time now for silence. Space for God opens up the heart. Ask God for compassion for the hurting. Ask him to put stops in many places. Start in Lincoln County, Oklahoma. And go to many other places in your heart of prayer. Seek him and his power to stop and halt the spread of this disease. We know he seeks a people who will pray. Take this time in your relationship with God to humbly petition him and his mighty hand to work much protection over his people and his creation now.

God is love and in him is no darkness at all. We can rest assured that he is not the author of death, darkness, evil, and suffering; neither is he the author of the coronavirus. But God is our refuge and help in time of need. Pray that many will take refuge in him, practice great safety measures, and do their part in participating in the stopping of the virus spread.

Be at rest in God.
